PALM SUNDAY. - To-morrow will be Palm Sunday, so called from the custom of blessing branches of the palm tree, or of other trees substituted in those countries in which palm cannot ration of the triumphal entry of our Lord into Jerusalem. In the Catholic the celebrant blesses the branches before the mass, and they are then distributed to the people. Where the ritual is completely observed, the clergy, in procession, pass out of the church, the doors are closed, and the ancient hymn known in English as "All Glory, Laud and Honor" is sung by the choir within and those without, until, onthe subdeacon knocking at the door, it is again thrown open and the process sion in the solemn mass which ensues the congregation hold the palm branches in their hands, and at the conclusion of the service they are carried home to their respective houses, where they are preserved during the year. Afterwards they are burned and the ashes employed, as a rule, for Ash Wednesday. At Rome the Pope himself distributes these palm branches to all the churches of the city. In Moscow, until 1700, and in parts of Germany, until the beginning of the present century, a wooden image of an ass was led about the streets, followed by the people bearing the consecrated palms.

this morning : Arthur Brent, colored, arrested by Officer Roberts charged with fighting, was dismissed, and Thomas Johnson, also colored, arrested by the same of-ficer, and who was proven to have been the aggressor, forfeited \$5 collateral by

failing to appear. Max Berryman, arrested by Officer Ferguson for being drunk at the station house, was fined \$2.50.

Night Report.—Last night was clear and cool. Six prisoners and eighteen lodgers were at the station house.

THE RACE TRACKS .- Matters concerning the race tracks are still kept quiet, but so far no arrests have been made for the violation of the antisambling laws by teting on foreign races, which has now been going on at St. Asaph for the past two weeks. It is reported, however, that the Commonwealth has prepared the necessary warrants for the arrests of the persons wanted for such violations and that arrests will be made by the first of April
hext Wednesday. As heretofore stated, as soon as an arrest is made, it is reported that betting will be stopped to await the result of the legal proceed-

ings which will follow. 4 horse belonging to Mr. W. P. Grayes ran off this morning near the Columbia engine house and damaged the wagon to which it was attached.

Rev. W. H. McAllister, formerly of this city, will begin a series of readings in Brantly Church, Baltimore, next Tuesday evening. No admission will be charged, but a silver offering will be taken for the church.

Mr. J. M. Leicht has returned from a visit to Cleveland, O. Mr. Chas. A. Strangmann, who went to that city some time ago is still in Cleveland. Capt. C. A. Dempsey, U. S. A., who

has been in the city for the past two weeks on a visit to his mother, who has been seriously ill, left this evening for his post at Omaha.

General Wm. H. Payne is going to Europe in May. Sheriff Gordon, of Fairfax, was in the

city to-day.

Mr. W. H. Lambert has returned from a visit of several weeks to friends

in Savannah and the South.

Mrs. Shinn, an old resident of the city, is seriously ill at the residence of her daughter, Mrs. J. P. Clark, on Duke street.

KNIGHTS OF PYTHIAS.—Alexandria Lodge No. 73 was visited last evening officially by Capt. W. E. Garrett, of Leesburg, who, as Grand Chancellor of the criter, is on a lecturing tour to va-rious lodges in the State. In graceful language he exemplified the secret work and gave special emphasis to the great precepts of the order. "Loyalty to constituted authority under which you enjoy citizenship" was the leading thought, and from it as a base, he made a most patriotic exhortation to combine all the forces of the good to resist the insinuating influences of evil before evil is again enthroned in absolute and arbitrary power. Mr. F. Schwab, as a Pythiau, entertained Capt. Garrett, who left on the noonday train for Richmond to visit the lodges there.

GAVE UP HIS PERMIT.—Admission to Sarepta Hall, where the white republicans held their convention last night, was by tickets. This morning the ticket-taker, in looking over the pasteboards, found the following:

PERMIT. This to certify that——, the legal wife of——, do hereby permit my husband to go where he pleases, drink what he pleases and when he pleases, and I furthermore permit him to keep and enjoy the company of any lady or ladies he may see fit, and I know he is a good judge. I want him to enjoy life, as he will be a long time dead.

(Signed)

It is supposed some one, who had no icket, was so anxious to gain admission that he gave up his "permit."

A SERIOUS CHARGE.—A letter received at this office this morning from Franconia says a merchant of that vicinity was arrested yesterday for attempting to assault a twelve-year-old girl who had entered his store. The girl alleges that he at first offered her a ring and a dollar and subsequently at-tempted to assault her. The trial of the case has been postponed until next Wednesday. The accused, who is about sixty years of age, emphatically denies having attempted anything wrong, and says he was merely acting in a friendly manner with the girl.

FEAST OF THE PASSOVER.-The Jewish Feast of Passover begins this evening at sunset. This feast, which com memorates the deliverance of the children of Israel from Egyptian bondage, is observed by Jews all over the world procured, and of carrying the blessed branches in procession, in commemo- worship and on the first night of the festival in their homes, also by a religious service around a festive board upon which is place unleavened bread, according to Biblical commandment (Ex. 12, 15-20) and other other symbols commemorative of that glorious event.

> AN UNFOUNDED RUMOR .- A rumor was circulated last night to the effect that Richard Murphy had shot himself through the heart at his home in the Third ward. The report had its origin in a jocular remark made by one of Murphy's acquaintances.

Regular stations of the cross lenten rvices were held in St. Mary's Church last night.

The funeral of Miss Lizzie Roach took place this morning from St. Mary's Church.

Mrs. Edward Pettit, a well-known resident of Fairfax, died yesterday at her home at Accotink. The Board of Excise for Alexandria

county have elected George M. Van-denberg chairman and W. H. Olcott secretary. The Lenten services at St. Paul's Church last night were well attended,

and an interesting sermon was preached by Rev. P. P. Phillips. The monthly meeting of the co-operative charitable committee will be held

at the rooms of the St. Andrew's Broth-hood on Monday at 4 p. m. A. L. Weaver has sold to W. P. Graves his interest in a house and lot on the east side of Fairfax street, be-tween Gibbon and Franklin.

A warrant was issued to-day for the arrest of a picture agent who is charged with insulting women. The accused has so far kept clear of the police. The police force is still actively en-

gaged in examining into the sanitary condition of the city. In doing so they are beginning to find unlicensed dogs. All delirquents will be made to pay \$1 additional when reported. The market to-day was considered a

ather poor one and there were not many country people present with their produce. The butchers and hucksters, however, had well stocked benches as had also the fish dealers. Prices remain about unchanged.

On Easter Monday a concert will be given at the Theological Seminary, in Whittle Hall, for the benefit of the church at West End. Miss Luders, whose beautiful music delight ed a large audience last year in Liggett Hall, will play, and Mr. Morris, of Bal-timore, will be violinist. A great musi-

cal treat is anticipated. It is reported that the bill introduced by request in the House on Thursday by Mr. Meredith authorizing the Heradon and Aldie Railroad Company, of Virginia, to construct a bridge across the Potomac below Great Falls, is probably a renewal of the old scheme to allow the Noriolk and Western a right-of-way into Washington, or, perhaps, it is the Baltimore and Ohio, which wants better facilities in the District than at present.

Read Sunday's Washington Post. An account of murders which have occurred in this city for the past 68 years will be given.

THE REPUBLICAN SITUATION .- JOSeph H. Manley, of the republication national committee, and Mr. Reed's close friend, last night sent out this dispatch: "At the close of the Massachusetts convention there will have been 398 delegates elected. Gov. McKiniey will have 162 delegates, providing you assign to him the entire delegations from Wis-consin, Indiana and Minnesota. But there should be taken from this number 12 deleshould be taken from this number 12 delegates from these States who have declared since their election in favor of Mr. Reed, and, as they were not instructed, they should be taken from the McKinley column and placed in Mr. Reed's. This gives Governor McKinley, 150 delegates; Mr. Reed, 72: Governor worton, 64; Senator Allison, 38; Senator Quay, 26; Senator Cullom, 10; conrested, 36. You will see that this gives Mr. McKinley 150 delegates, against 210 anti-McKinley delegates.

Read Sunday's Washington Post. An ac count of murders which have occurred in this city for the past 68 years will be given.
